Moran said the thing took him by surprise, though he had heard rumors of it during the hast world's series. Moran had a remarkable career in Philadelphia. In 1915, his first year as manager, he won the champinos with a team picked for the cellar. He made several judicious trades and strengthened his team despite the fact that players regarded as stars like Sherwood Mages, Lobert and Dooin were disposed of. The next two years he finished second, his 1916 team being in the race until the day before the close of the season. Last year, after the club lost Alexander, Killefer and Paskert, it slumped to sxith place.

REDS WITHDRAW BIG FULTZ OFFERED JOB BID FOR HOBLITZEL

International League Head Will Not Pay \$5,000 to Red Sox for His Release Now That Moran Is Free.

John H. Farrell resigned as president the question of the chairmanship of the commission capeciality was significant. If guess the affairs of the commission will be straightened out in due time," he said. "It does not make much directed to me whether or not I am relicated."

MISS FILLEY WINS SQUASH TOURNEY IN ALL SPHERES OF SPORT

HE unconditional release of Pat Moran as manager of the Philadelphia Nationals yesterday took baseball men in the corridors of the Waldorf by surprise, and even Moran himself registered a similar feeling. However, it is quite safe to say that Moran did not feel as surprised as he looked, for we have it that he was notified to look for another position John W. Appel, Jr., and Raiph G. Co- at about the time of the world's series last September. Things did not move burn of the Harvard Club and Ralph very sweetly in the Philadelphia club last summer. Moran could not still the fast but erratic three-year-old filly Monks of the Princeton Club yesterday his resentfulness over the sale of Grover Alexander and Bill Killefer to which was formerly owned by Rubert L. the Cubs without his having even been consulted. The Philadelphia players in lacked both ambition and vigor and blamed everything on the sale of the worked their way into the semi-final round in the handicap tournament of the National Squash Tennis Association on the courts of the Columbia University star battery. From time to time Moran and divers stockholders of the Park track this afternoon. She was on club became embroiled in verbal exchanges. William F. Baker, president her best behavior, and with Jockey of the club, was not averse to retaining Moran for another season, but he Rodriguez in the saddle, held the race was overruled by the board of directors in general and one individual in at her mercy throughout. The track particular. The man in question is Col. Murphy, biggest stockholder the club. The Colonel wanted Moran removed and Jack Coombs, one of was ankle deep with mud and the Philadelphia's favored sons from the old Athletic days, put in his place.

daughter of Superman and Aille Darden Now that Coombs has declined the place Baker will have quite a time getting another man. Moran to-day very likely will sign with McGraw as the maddle. He guided Inquieta as well Now that Coombs has declined the place Baker will have quite a time a coach of pitchers, a position in which he should prove of great use to as Miss Filley home in front. The re-

into the National League meeting come what might, but he was kept out, and he made no protest. The refusal of the league to permit Mitchell to take part in the deliberations was due to no personal feeling against the manager of the Cubs, for whom the club owners have only the highest regard. In reality the treatment accorded to Mitchell was a siap at the owners of the Chicago club. Just now neither Mitchell nor any of the other recently elected officers of the club, as far as is known, hold any stock. They are merely the representatives of certain stockholders who do not care to have their names mentioned too intimately with baseball.

why Fred Mitchell Was Kept Out of the National League Meeting.

Fred Mitchell, the new president of the Chicago club, came to break to the National League meeting come what might, but he was kept out, and is made no protest. The refusal of the league to permit Mitchell to take it in the deliberations was due to no personal feeling against the manier of the Cabs, for whom the club owners have only the highest regard, it reality the treatment accorded to Mitchell was a slap at the owners of the Cabs, for whom the club owners have only the highest regard, it reality the treatment accorded to Mitchell mor any of the other recently the representatives of certain stockholders who do not care to have eit manes mentioned too intimately with baseball.

Funny how a man will have no feelings against being mentioned in packing house investigation, but when it comes to being connected publics with the management of a big baseball enterprise he becomes the owners of shrinking of shrinking violets. The National League feels that the other club owners decided to enforce the constitution to the offices of the club owners decided to enforce the constitution to the tree and bar Mitchell. While we offer Mitchell our sympathy we believe the stand taken by the league just and well advised.

Zimmerman to Play First and Holke to Be Traded.

There was some talk at the Waldorf of Jake Daubert's being traded to distance the Giants and the Superbas all arranged. Daubert said that he old cather stay with the Brooklyn team. Whether Holke could be colled father stay with the Brooklyn team. Whether Holke could be colled father stay with the Brooklyn team. Whether Holke could be colled father stay with the Brooklyn team. Whether Holke could be colled father stay with the Brooklyn team. Whether Holke could be colled father stay with the Brooklyn team. Whether Holke could be colled for the colled be of much use to McGraw. In the league is a chiral base ran.

Zimmerman to Play First and Holke to Be Traded.

There was some talk at the Waldorf of J a packing house investigation, but when it comes to being connected publicly with the management of a big baseball enterprise he becomes the most shrinking of shrinking violets. The National League feels that the men who have put their money into the Chicago club should think well enough of their enterprise and their associates in the league to come here themselves and represent their stock. It is beause of their resenting the alcofness of men like Wrigley and Armour, who practically own the Chicago club, that the other club owners decided to enforce the constitution to the letter and bar Mitchell. While we offer Mitchell our sympathy we believe the stand taken by the league just and well advised.

to the Giants. John McGraw was quoted as saying that Walter Holke could not play another game for the New York club, and gossips had a trade between the Giants and the Superbas all arranged. Daubert said that he tive in the intercity tournament at 18:2 balk line scored another victory at Daily's room last night. J. H. Druckmetter of Philadelphia took Hal Coleman of this could offer a serviceable man for the date of the could be seeman, and any club room last night. J. H. Druckmetter of Philadelphia took Hal Coleman of this could offer a serviceable man for the date of the could offer a serviceable man for the could be continued with the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. In the could be of much use to McGraw. Zimmerman said at the close of last season that he would never again play third base. He declared that he appreciated that he had slowed up a great deal and that he no longer was equal to the task of playing third base for a pennant contender. Granted that Heinie's estimate of his powers order looks like a mighty big one.

American Boxers Fight in London To-night.

While definite knowledge as to the personnel of the opposing teams lacking it is quite certain that the American army and navy boxers will give a good account of themselves against the British. French and Belgian service fighters in the tournament for the King's trophy at London tonight and to-morrow night. It is said that the Italians too are to take part, but if they do compete they will not be formidable opponents. The American team includes at least eighteen boxers. Willie Meehan, the San Francisco heavyweight, was to have gone, but we understand that he still is in Philadelphia. Pete Herman, the bantamweight champion, also was scheduled to go over, but we understand that his ship, the Western Maid,

The American team, as far as we have been able to find out, will con sist of the following boxers: Heavyweights, Andre Anderson and Jack Heinen; light heavyweight, Eddie McGoorty; middleweights, Mike O'Dowd, Augie Ratner, Harry Greb and Dennis O'Keefe; welterweights, Cal Delaney, Marty Cross, Teddy Hayes, Otis Bryant and Jack Perry; lightweights, Richle Mitchell, Chick Simler, Billy Sheviin, Billy Whelan and George Chaney; featherweights, Joe Lynch and possibly Chaney, and bantamweight, Pal Moore. It will be seen that America is short on heavyweights, bantams

Louisville Police Asked to Stop Gambling on Public Links.

The Park Commissioners of Louisville declare that "some people are making a living on the public golf courses in the parks of this city and we are going to stop it." Accordingly, they have given orders to the police to arrest all golfers found betting on matches, strokes and the like. The Commissioners of like The Commissioners are all menace. As far as we know, this is the first case of police interference with gambling on golf courses.

We do not know how far the "menace" in Louisville has gone, but we are rather inclined to believe that the Park Commissioners have become a real menace. As far as we know, this is the first case of police interference with gambling on golf courses.

correspondent's statement as to the lerge number of widonts, panthers, &c. att without itself assertation the amount and quarity of their case goods?

To herroborate the above statements, it was our good fortune to meet a party of four mighty hunters this last fall who were informed by their spokesman that they had twenty quarts of the amber colored cuts and a four pound sack of four, and that they had twenty quarts of the amber colored cuts they were all of the same opinion, that the four would go to waste.

It is unnecessary to say that during they were all of the same opinion, that the four would go to waste.

It is unnecessary to say that during they were all of the same opinion, that they when stay in the woods they encountered wildonts, lyux, pauthers, &c. LUNDY and Thors at S.A.M. CAPI, ILE II, Collishou West, Thurs, and other feroclous beasts too numerous to meetian. Our handing grounds are

delegate, said the time had arrived for the Buffalo club of the International League sought Moran's services as manifered to the services as manifered toward toward toward toward the tender from McGraw.

The appointment of Coombs was calculated to appease any ill feeling that might be engendered in Philadelphia by the dismissal of Moran. Coombs is considered practically a native son of Philadelphia, as he spent the best part of his career with the Athletics, and during the heyday of Athletic aucoess Coombs, Bender and Plank formed one of the graciest pitching trios the game yet has produced.

Moran is Surprised.

Moran is Surprised.

Moran said the thing took him by surprise, though he had be a falled off.

delegate, said the time had arrived for a renewal of pre-war activity and that the anisocial to make a mistage. Coburn the names and segon. Moran took all offers under advisement, but intimated that he issued the sessional take in taking the initiative by holding all championship and invitation tournaments.

He then moved that the three championships be held. The motion was unanimously carried.

President Bullivan called attention to the fact that the Brooklawn Country Club and Siwanoy Country Club, which had been sproduced.
